Welcome to Dimensions

We supply all types of **Design & Print** projects from **Stationery to Packaging**, from artwork supplied or artwork we have generated for you, with print runs of any size and specification.

Full **Mock-ups** are presented before final print.

We can deliver across the **UK** and **Worldwide**.

We have a huge range of **Exhibition Stands** and **Point-of-Sale** solutions available with or without bespoke printed materials.

As part of the Dimensions Recycling Programme, printed media can be replaced on the original hardware of most **Exhibition Stands** and **Point-of-Sale Units**, saving up to 40% of the cost of complete new stands.

Specialists in **Packaging Solutions** for any product.

Full colour bespoke interchangeable **Window Graphics & Etching**, using 3M UV materials for longevity.

We have 25 years experience in **Design & Print**, **Exhibition** and **Point-of-Sale** materials and are happy to help whatever your requirements.
