

Dear Customer

As **Friends of the Earth**, to show our commitment to the **Environment** Dimensions have developed our own recycling programme. May we take this opportunity to let you know about the cost savings of recycling exhibition units that you have purchased in the past from ourselves or any other supplier.

We can **Recondition/Recycle** any of your existing **Roller Banners** units and **replace the graphics at a cost of £88.00** including lamination (gloss / matt). Also if you have a **Pop-Up Unit we can replace the graphics for 30% less** than the original cost. If you require new artwork we can generate this to your spec for an additional cost.

PLEASE NOTE, IT IS THE HARDWARE THAT IS MORE COSTLY THAN THE GRAPHICS AND ARE MORE OF A RISK TO THE ENVIRONMENT WHEN DISPOSED OF.

Alternatively, if you do not wish to take advantage of our **Recycling Service** and no longer require your unit it could be returned to Dimensions House, 79 Sefton Street, Liverpool L8 6UD and we could reface it for a charity of your choice incorporating your own company logo and contact details.

Please do not hesitate to contact us if you would like us to arrange collection of your unit either by telephone on the above number or contact us at design@dimensions-studio.co.uk / www.dimensions-studio.co.uk.

Regards
Dimensions Design & Print Limited
